Please note that you cannot edit your notes or approvals after they've been created so please ensure all details, particularly the dates of the absence, are correct. If you do need to make any amendments please contact your school, as they can do this for you.

Adding a Note/Approval for a Future Absence

You can also enter notes and approvals in advance, if you know that your child is going to be absent from school (e.g. scheduled family holiday).

To do this from your homepage, click on the 'Add Attendance Note/Approval' link listed underneath the name of the relevant student.

This will take you to the Attendance screen, with a pop-up window to enter details of the note or approval. Here you can select the applicable date range - in the future if required.

Please only enter full day absences. Do not enter times or part day absences as children must sign in and out through the office when they arrive at school.
